#### **Lab Tested in the USA**

Product Regularly Tested For Your Pet's Safety

NO Artificial Flavors, Colors or Preservatives.

Healthfuls™ Salmon Fillets are packed with nutritious goodness and the natural fish flavor that dogs love. Made almost entirely from Salmon, these treats are rich in the Omega-3 fatty acids and high in protein. Salmon is low in fat and easily digestible and is often recommended by Vets for dogs with allergies.

**Salmon:** High in protein and monounsaturated fats (the good fats), salmon helps with muscle development and heart health. It contains high levels of vitamins and minerals, including vitamins A, B12, Niacin and the antioxidant Selenium.

**More on Omega-3 Fatty Acids:** These are the good fats that may be beneficial to heart and joint health. These essential fats, along with the Selenium found in salmon, can contribute to healthier skin and a shinier, healthier coat.

**Food Safety:** The safety of our products is Westminster Pet's #1 priority. Healthfuls Salmon Fillets are cut, cooked and dried in a food grade facility. This facility is certified to BRC Global Food Safety Standards and inspected by independent 3<sup>rd</sup> parties. On arrival at our US facilities (also certified to BRC Global Food Safety Standards), we inspect and test the treats in our in-house lab to ensure that each incoming lot meets our strict standards for purity. Westminster Pet, a family company, bringing you treats that you can trust and your dog will love!

**Feeding Instructions:** Salmon Fillets are intended as a treat and are not a complete diet. Make sure your dog gets plenty of exercise, a balanced diet and lots of water.

Healthfuls™ are a natural nutritional supplement to provide your dog with the nutrition that may be missing from its regular diet.

Recommended daily portions based upon your dog's weight:

Toy: 3 to 12 lbs.	1 treat
Small: 13 to 25 lbs.	2 treats
Medium: 26 to 50 lbs.	3 treats
Large: over 50 lbs.	4 treats

**NO Artificial Flavors, Colors or Preservatives.**

**Safety:** Always supervise your pet when giving any treats or chews. Hands should be washed thoroughly after handling any dog treats.

**Ingredients:**

Salmon, Corn Starch, Pea Protein, Glycerin.
