

# Vita Charge® Clench Gel

## Biozyme®

A gel for all species of livestock ideal for use during diarrhea and scours treatments to support recovery, hydration and nutrient absorption.

### Amaferm® Advantage

Amaferm® is a precision-based prebiotic designed to enhance digestibility by amplifying nutrient supply for maximum performance. It is research-proven to combat stress and increase nutrient absorption.

- All-natural oral treatment that can be used during competition; no withdrawal period.
- Amaferm® increases nutrient absorption to promote a normal, healthy stool.
- Electrolytes help replenish the losses animals experience through constant defecation.

### Feeding Directions

Recommended up to 2 times daily.

Administer orally on back of tongue to the following:

Beef Cattle: 30 ml

Sheep, Goats and Swine: 15 ml
