

Formula C

Weaver™ Livestock

Daily Swine Conditioner

Daily Care

Formula C is a swine hair and skin conditioner that keeps your pig's skin soft, well-conditioned and flake-free while helping to highlight their natural skin color. Citronella is included in this effective formula to aid in naturally repelling insects.

Directions: Shake well before using. Spray on daily and brush in thoroughly to enhance skin and hair condition. For best results, do not rinse out.

Caution: Do not ingest. If ingested, do not induce vomiting. Seek medical attention. If there is contact with eyes, remove contact lenses and flush eyes with water for 15 minutes. Do not freeze. Keep out of reach of children.
