

Vetericyn® Mobility Liniment

Vetericyn®

Menthol Blend Melts On Contact For Fast-Acting Relief

Fast-Acting

Melts on contact for fast absorption into skin

Relieves

Reduces swelling and pain of sore muscles and stiff joints

Stimulates

Helps micro-circulation flow to sore ankles, knees, and aching tendons

Non-Steroidal • Counterirritant • Won't Burn Or Blister Under Wraps

Vetericyn® Mobility Liniment is formulated with fast-acting ingredients to refresh tired and worked muscles. It melts on contact and works quickly to reduce swelling and pain of sore muscles and joints, helping to relieve stiffness and soreness caused by strenuous activity.

- + Fast Penetration into skin to provide temporary relief to tired muscles and joints
- + Helps stimulate micro-circulation and blood flow for faster recovery time
- + Formulated with skin conditioners like peppermint, sunflower, and flower extract
- + Proprietary blend of botanicals and menthol proven to soothe and refresh worked muscles

Directions for Use: Apply Vetericyn Liniment and gently massage into the affected area for relief of muscular and joint soreness, swelling, and stiffness. For deeper penetrating relief, apply under wraps and bandages.

Use Precautions: Use only as directed. For external use only. Discontinue use if skin irritation develops and contact your veterinarian. For animal use only, not for human use. Keep out of reach of children. For horses not intended for human consumption.

Storage: Store at room temperature away from direct sunlight and heat. If accidentally frozen, shake contents before use. Do not use after expiration date. After use, seal or close dispenser.

Stability: See expiration date on bottom of bottle.

Disposal: No special disposal requirements.
