

White Lightning® Gel

Grand Circuit

With DioxiCare®

The **ACTIVE** Chlorine Dioxide System

Use topically on white line, thrush, or skin fungal conditions like rain rot, scratches, etc.

Not for use on humans.

Precautions: Do not apply White Lightning® Gel in combination with any other product. For external use only. Avoid contact with eyes. Keep out of the reach of children.

Ingredients: Active—98%
Chlorine Dioxide Complex
Inactive—2% Water, xanthan gum, nacconol

Directions: Open dispensing end, and apply a thin film to the affected area 2-3 times/week. When applying to the hoof, protect from ground contact by covering with cotton/gauze and duct tape into place.
