

Sure Champ Joint Juice

BioZyme®

Powered by MHB3® Hyaluronan

Instructions for oral use

Cattle: Administer 1 oz (2 pumps) per day.

Swine: Administer ½ oz (1 pump) per day.

Sheep & Goat: Administer ½ oz (1 pump) per day.

For best results, incorporate into your daily feeding routine, and double the daily dose for the first 7 days of feeding, as well as when preparing for and during competition or during times of discomfort.
