

# Ear Wash Plus Tea Tree Oil

**NaturVet®**

## **Baby Powder Scent**

- Great for routine cleaning
- Soothing aloe formula

A gentle, effective formula designed to help dissolve ear wax and remove foreign debris. Can be used as often as needed and is especially recommended after bathing or swimming.

**Directions:** Point spout tip into ear canal. Squeeze bottle to release enough drops to partially fill the ear canal. Gently massage the base of the ear canal to help loosen wax. Remove liquid, dissolved wax, and dirt with cotton balls or facial tissue. Repeat as needed. Do not use cotton swabs or insert pointed objects into the ear.

**Caution: For use on dogs and cats only. Keep out of reach of children.** Do not use on infected ears. Consult your veterinarian for help in diagnosing ear infections. If mite infestation is suspected as evidenced by ear scratching, head shaking, redness, scaling, or presence of mite debris, use a registered miticide.

**Ingredients:** Deionized Water, Witch Hazel, Glycerin, Boric Acid, Polysorbate 80, Tea Tree Oil, Baby Powder Fragrance, Echinacea Extract, Methylparaben, Coloring, Propylparaben, Aloe Vera Extract.

**Made in the USA** with globally sourced ingredients
