Treat Your Cat to Clean Teeth & Fresh Breath

We designed **Feline Greenies™** Dental Treats to deliver essential oral care benefits and a taste your cat will love. **Irresistibly tasty. Incredibly Powerful.** Feed daily for your cat to experience the amazing effect of **Clean Teeth, Fresh Breath, and Delicious Flavor.**

Our specially formulated crunchy texture is designed to reduce tartar buildup by enabling your cat's teeth to sink deeply into the treat.

We're proud to be the #1 Vet Recommended Feline Dental Treat!*

Nutritionally Complete & Balanced for Adult Cats
Less Than Two Calories Per Treat

Feeding Guidelines: **Feline Greenies™** dental treats are formulated for cats 1 year of age or older. For a healthy dental benefit, feed treats daily in conjunction with your cat's regular diet. As with any treat, adjust the amount of main meal to compensate for calories delivered by treats. Always monitor your pet while feeding a treat. Provide fresh drinking water at all times and see your veterinarian regularly. To help maintain freshness, we recommend sealing the bag tightly and storing in a cool, dry location.

For the best dental health, feed a 10 lb adult cat 8 treats, two times per day. Adjust amount of main meal to compensate for calories delivered by treats. Always monitor your pet while feeding treats. Provide fresh drinking water at all times.
