

Volumizing Shampoo

Weaver Livestock

Electrostatic charge technology repels hair to create a volumizing effect

Show Day & Daily Care

Biopolymeric concentrate forms molecular bonds to the hair strand, creating a protective antioxidant barrier over the hair surface. This blend creates a higher water-bonding capacity in the hair, which moisturizes the hide, adds additional vibrancy to the hair color and additional volume over time.

Directions: For hand washing, wet animal, apply shampoo and lather well. Gently scrub if needed. Rinse out thoroughly.

Foamer Directions: Add shampoo to the Livestock Foamer, and apply directly to the dry animal. Gently scrub if needed. Rinse out thoroughly. Do not pre-wet animal before use for best results.
