

# Milk Replacer for Kittens

## *Tailspring*

### **With Grade A Whole Goat Milk**

Scientifically formulated to closely match mother's milk

100% Human grade ingredients

No preservatives

Net Vol. 12 Fl. Oz. (355 mL)

Tailspring milk replacer provides the right nutrition for kittens from birth to weaning and beyond. It can also be used as a meal flavor enhancer providing additional nutrients and delicious taste for adult cats.

Formulated with 100% human grade ingredients and Grad A goat milk to be gentle on kittens' stomachs. Made without the use of preservatives or artificial colors and flavors.

Tailspring was born from **Meyenberg®**, America's #1 selling goat milk, known for quality and consistency since 1934.

### **Directions: Shake Well**

**Feeding Kittens:** Warm ready-to-use formula to body temperature as needed for each feeding.

- **For normal kittens:** Feed 1 tsp. per 4 oz. of body weight every 3-4 hours.
- **For weak kittens:** Mix 1 tsp. of formula with an additional tsp. of water first. Feed ½ tsp. – 1 tsp. of mixture per 4 oz. of body weight every 2 hours or as needed. Gradually reduce additional water over several days.
- As kittens grow, gradually increase the amount fed daily per body weight, while decreasing the number of feedings until averaging 2-3 feedings per day.
- Continue to feed milk replacer until kitten is completely weaned onto solid food.

**As a Meal Flavor Enhancer or Treat:** Tailspring can also be used to give your cat's meal extra flavor and additional nutrients.

- **For adult cats:** Pour 1 Tbs. of formula in a dish for your cat to enjoy.
