

Snow-Proof Weatherproofing Spray

Fiebing Company

Silicone Water Repellent

Outdoor Leather & Fabric Protector

For use on tents, tarps, gloves, raincoats, cushions, sleeping bags, boat covers, backpacks, awnings, hunting clothes, leather boots, horse blankets, deckchairs, canvas shoes & fishing gear.

Directions:

Adjust nozzle on sprayer for mist. Articles should be clean and thoroughly dry. May darken light colored objects. To apply, hold bottle 6-8 inches from article and spray evenly. Do not saturate. Let dry completely before using. Resists salt stains, spots & dirt. Keeps water out and lets materials "breathe".
