

Scotchgard™ Outdoor Water Shield

3M

Ultimate Protections Against the Elements
Repels Rain & Snow

WARNING! Flammable Liquid and Vapor. Contents Under Pressure.
Read carefully other cautions on the back panel.

Ultimate Protection Against the Elements

- Repels rain, snow, and moisture
- Creates a durable barrier to water that keeps clothing and gear drier longer
- Long lasting protection that leaves fabrics breathable
- Dries quickly, odorless when dry

Ideal For Use On:

- Cotton/Cotton Blends
- Leather/Suede
- Tents
- Grill Covers
- Outerwear
- Boat Covers
- Sporting Gear
- Canvas
- Patio Furniture
- Backpacks
- Cushions
- Umbrellas

Do not use on "X" coded fabric. (Fabric that cannot be cleaned with water or solvents)
Do not use on carpet, leather, finished wood or plastic.

Coverage: Coverage per can varies with fabric type, from about 75 sq. ft. for light nylon to about 25 sq. ft. for heavier fabrics.

Directions:

1. Protect other nearby surfaces from overspray. If overspray occurs, quickly wipe up.
2. Shake can well. Apply only to clean, dry articles.
3. Test for colorfastness. Spray in an inconspicuous area and allow to dry completely to check for color change. May give fabric a slightly darker, richer tone.

4. Spray with slow, sweeping motion 6" to 8" away from article. Cover article uniformly, but do not saturate.
5. Allow article to dry completely before using.
6. Reapply seasonally or as needed, and after cleaning to maintain repellency.

If relative humidity is below 50% while drying, mist with water for optimal results.

NOTE: Use of this product on shoes with white rubber soles may cause the rubber to yellow. Should this happen, treat the yellowed area as soon as possible with rubbing alcohol.

Warning: Treatment of fabrics with this product may reduce their flame retardant characteristics.

WARNING! Vapor Harmful. May Irritate Nose and Throat and Cause Dizziness, Headache, or Nausea. Intentional Misuse by Deliberately Concentrating and Inhaling the Contents May Be Harmful or Fatal.

Note: When dried on treated fabrics, these warnings do not apply.

Precautions: Vapor may cause flash fire. Keep away from heat, sparks, flame, and sources of static discharge. Avoid breathing vapors, mists or spray. Use only with adequate ventilation. Exposure to heat or prolonged exposure to the sun may cause bursting. Wash thoroughly after handling.

Keep Out of Reach of Children.

Contains: C11-15 Alkane/Cycloalkane, Petroleum Gases, liquified, sweetened, Silicone Mixture.

Vinyl/Fabric/Leather/Plastic Coating US PWR Limit 1.55, CARB PWMIR Limit 1:45. For more ingredient information visit go.3m.com/ingredients.
