

# Equine Special with Added Zesterra®

## *Pro Earth Animal Health*

### **A Weatherized protein supplement for Equine Grazing**

Highly palatable, this mineral is fortified with premium quality bioavailable trace minerals to assist in your equine's optimum daily mineral needs. Formulated with Zesterra® to encourage feed and water consumption in times of stress.

### **Feeding Directions:**

Hand feed 1 heaping scoop (3 oz) per head per day for adult horses. This supplement requires that an ample supply of high quality free-choice forages are available to the animal at all times. Provide free choice salt and abundant, fresh supply of water at all times.

### **Caution:**

This product contains added copper: do not feed to sheep. Follow label directions. For further directions consult your nutritionist.

This product was made in a feed manufacturing facility that does not handle or store products containing animal proteins prohibited in ruminant feed.
