DO NOT USE ON CATS.

Our mission at Equiderma is to provide superior horse care products made with only the finest and most effective ingredients.

Directions for Use: For best results, apply to a clean horse. Prior to application, brush horse's coat to remove excess dirt and dust.

Application Instructions: Shake Container Before Each Application. Hold spray container 10 to 12 inches from horse's coat for best application. Do not spray solution directly onto horse's facial area. Instead, spray solution onto clean cloth or tack sponge and use the cloth or sponge to apply Equiderma Neem Horse Spray to horse's facial area. Reapply as needed.
