Treats: Rain Rot, Ring Worm, Scratches, Sweet Itch, Cannon Bone Scurf

Equiderma Skin Lotion **100% Money Back Guaranteed!**

Beloved by horse lovers and recommended by veterinarians worldwide for the treatment of skin problems:

Removes cannon bone crud in 1 treatment.

Eliminates rain rot in 3 treatments or less.

Removes Mallenders/Sallenders build up in 3 treatments and helps to heal the underlying bacterial infection.

Calms the welts and itching of insect bites/sweet itch.

Stops mane & tail itching and rubbing.

Knocks out the most stubborn cases of scratches.

Helps to relieve the itching of neck threadworm.

Works great on mystery hair loss and skin abnormalities of unknown origin.

Scented with lavender essential oil – your horse's aromatherapy favorite.

Almost effortless treatment to conquer most skin problems.

Our mission at Equiderma is to provide superior horse care products made with only the finest and most effective ingredients.

To Use: Shake Well. For best results wash the area thoroughly with Equiderma Neem Shampoo, rinse and dry. Apply liberally to the affected area every day. **LEAVE ON.** Continue use until the condition has completely cleared. Observe skin often and reapply as needed. If Equiderma Skin Lotion is rinsed off by rain, hosing, sweating etc. reapply as instructed.

Active Ingredients: Chlorhexidine Gluconate 0.5%, N-trichloromethylthio-4-cyclohexene-1,2-dicarboximide .006%

Inert Ingredients: Polysorbate 20 - 0.685%, Lavender Oil 0.0025%, Mineral Oil 76.2%

Store in closed container at room temperature (around 70 degrees F.), away from heat, moisture, and direct sunlight.

Caution: For external use only. Avoid eye contact. If any adverse reaction occurs, discontinue use. Keep out of reach of children. Not for human use.
