

Thrush & Whiteline Treatment

Equiderma

Sulfate Free

100% Active Ingredients

A deep, penetrating thrush treatment effective in eliminating the toughest cases. Purges bacteria, fungi and spores from deep cracks and crevices. Often effective with just one application.

Our mission at Equiderma is to provide superior horse care products made with only the finest and most effective ingredients

Ingredients: Organic Oil of Neem Seed, Mineral Oil, Petrolatum, Cetearyl Alcohol & Cetearyl 20, Zinc Oxide, Glycerine, Colalipid ST, Chlorhexidine Gluconate, Lavender Essential Oil

Instructions

1. Carefully cut off dispenser cap.
2. Shake well before each use.
3. With a firm bristle brush and Equiderma Neem Shampoo thoroughly clean under and around the frog, deep sulcus, and all cracks and crevices within the hoof. Remove and wash away all dirt, debris and black dead tissue. If necessary, remove horseshoes or any pads covering the hoof.
4. Apply Equiderma Thrush & Whiteline Treatment in and around all cracks, crevices and fissures in the hoof and frog daily until fully healed and no foul odor is detected. Keep the hoof dry and clean to speed recuperation time.

Storage: Store the bottle in a cool dry place. DO NOT leave it in the sun or expose to heat.

Proudly made in the U.S.A.
