

E3® Medicated Wound Care Cream

Durvet

With Insect Barrier

Antifungal / Antibacterial / Antiviral

Promotes Healing of Wounds, Infections

Scratches • Cuts • Burns • Abrasions • Skin Irritations

Forms Barrier Protection / Gentle on Skin / Repels Insects

Description:

E3® Medicated Wound Care Cream promotes healing of wounds and infections. It treats and protects without harming healthy skin. Effective on rain rot, infections, cuts, burns & abrasions. Forms a bandage-like barrier to protect the wound. Repels flies and insects.

Directions:

Cleanse area. Apply E3® Medicated Wound Care Cream directly on the wound. Use 1 or 2 times daily. Apply bandage if necessary.

Active Ingredients: Zinc Oxide, Polyhexanide

Other Ingredients:

Petrolatum, Lanolin, Beeswax, Calendula Officinalis (Calendula) extract, Citrus Gandis (Grapefruit) seed extract, Foeniculum Vulgare (Fennel Seed) extract, Eucalyptus Citriodora (Lemon Eucalyptus) Leaf Oil

Precautions:

Approved for topical use only. For deep punctures or if wound does not show signs of healing, contact a veterinarian.

KEEP OUT OF REACH OF CHILDREN.

It's Dog Friendly too!
