Sure Champ® Cattle Drench BioZyme®

With VitaCharge® Technology

Ideal For:

- Rehydration
- Off Feed
- Occasional Stress

An oral drench for cattle containing fermentation products, B vitamins, antioxidants, enzymes and electrolytes.

Guaranteed Analysis

Salt (NaCl)	1.0% Min.
Salt (NaCl)	1.5% Max.
Zinc (Zn)	
Vitamin E	5,660 IU/lb. Min.
Vitamin B-12	4,520 mcg/lb. Min.
Cellulase (Trichoderma reesei)	412.5 CU*/15 ml Min.

*One Cellulase Unit (CU) will produce a relative change of one in 5 minutes in a defined carboxymethylcellulose substrate under the conditions of an assay.

Ingredients

Water, Liquid Aspergillus oryzae Fermentation Product, Propylene Glycol, Maltodextrins, Dried Aspergillus niger Fermentation Product, Dried Aspergillus oryzae Fermentation Product, Dried Trichoderma reesei Fermentation Product, Calcium Carbonate, Sodium Benzoate (a preservative), Silicon Dioxide, Glycerin, Vitamin E Supplement, Yeast Extract, Calcium Propionate (a preservative), Natural and Artificial Flavors, Zinc Proteinate, Salt, Citric Acid (a preservative), Potassium Chloride, Sugar, Niacinamide, d-Calcium Pantothenate, Vitamin B-12 Supplement, Ascorbic Acid, Riboflavin, Pyridoxine Hydrochloride, Thiamine Mononitrate, Biotin, Folic Acid, FD & C Yellow No. 5, FD & C Red No. 40, FD & C Blue No. 1, Potassium Sorbate (a preservative).

Directions For Use:

- Shake well before use. Administer 1-2 times daily as needed, orally as drench.
- Cattle 300 to 400 lb.: 1/2 oz. (15 ml).
- Cattle over 400 lb. 1 oz. (30 ml).
- Cattle off feed over 1,000 lb.: 2 oz. (60 ml).

Cautions:

Not recommended for non-ruminating calves. Store in a cool, dry location out of direct sunlight. Do not freeze. Replace cap tightly after opening. Not for human consumption. This product is intended for intermittent or supplemental feeding only. Follow label directions.

This product was made in a feed manufacturing facility that does not handle or store products containing animal proteins prohibited in ruminant feed. Safety Data Sheet available upon request.
