

Jingle Bones 13-14” Rawhide Bone

Specialty Products

Jingle Bones is a range of healthy and nutritious chews designed to help you care for your canine companion.

Your dog will love Limited Edition Jingle Bones because it's the natural way to satisfy your dog's chewing needs. The action of chewing allows your dog a healthy outlet to relieve stress while helping to reduce tartar and prevent gum disease.

Always supervise your pet while using any chewing product.

No Preservatives • 100% Natural • Cleans teeth and stimulates gums!
