

Wool Grease Spray

Weaver Livestock™

Replenishes Natural Oils for Healthy Skin

Daily care and Show Day

This lanolin-rich formula replenishes natural oils for healthy skin. Its nourishing blend of ingredients includes all-natural lanolin, olive oil, shea butter, aloe vera, Abyssinian oil, hydrolyzed keratin and tea tree oil. Potent natural properties help target existing skin infections and help avert skin conditions from flourishing.

Directions: Shake well. Spray on after show or after shearing to recondition skin and hair and to help ward off skin issues. Lock moisture with Hydro-Boost Lotion after applying Wool Grease.
