

Shield™ Wound Care + Eye & Ear Wash

Shield Health Products

Veterinarian Recommended

Safe For the Management of Minor Wounds and Irritations

- Eye Wash
- Lacerations
- Insect Spray

Tests drug free for competition animals.

Indications: Shield™ Wound Care + Eye & Ear Wash is a one-step, no-rinse solution for immediate care.

Directions For Use: Use for flushing and debriding irritants and dirt from the eye or outer ear and ear canal of animals. Thoroughly clean the eye or ear canal and outer ear to remove contamination. Do not use if the cornea of the eye is not intact or if the eardrum is damaged. Also for immediate care of lacerations, cuts, abrasions, burns, and irritations. Use to debride and clean all dermal wounds.

Use Precautions: For external use only. Discontinue use if irritation develops and contact your veterinarian. For Animal Use Only. Keep out of Reach of Children. Safe if licked by animals. To only be used with an intact eardrum and/or intact cornea. Not for injection. Always consult with a veterinarian for systemic conditions.

Storage and Handling: Keep out of direct sunlight and do not freeze. No special handling or disposal precautions. Biodegradable and environmentally safe.

Stability and Handling: See bottle for date of expiration. No special disposal requirements.

Ingredients: Electrolyzed Oxygenated Water (H₂O) 99.903%, Sodium Chloride (NaCl) 0.082%, Hypochlorous Acid (HOC) 0.015%

Safe to Use Everyday
