

Shield™ Grooming & Deodorizing Solution

Shield Health Products

Veterinarian Recommended

No-Rinse, One-Step Cleaner, Hydrator, Moisturizer & Deodorizer

- Moisturize
- Clean
- Deodorize

Tests drug free for competition animals.

Directions For Use: Spray on your animal's hair as a daily hydrator/moisturizer. Dilute 5:1 to use when bathing. Effectively clean, hydrate, and beautify your animal's skin and coat without drying and irritation. Also works great as a deodorizer with a new technology of Hypochlorous Acid and Super Oxygenated Water that breaks down and destroys odors. Spray your animal (safe around eyes, nose, ears, and mouth) and stable areas to remove odors. Spray directly on your animal and work into the hair.

Use Precautions: For external use only. Discontinue use if irritation develops and contact your veterinarian. For Animal Use Only. Keep out of Reach of Children. Safe if licked by animals.

Storage and Handling: Keep out of direct sunlight and do not freeze. No special handling or disposal precautions. Biodegradable and environmentally safe.

Ingredients: Electrolyzed Oxygenated Water 99.98%, Hypochlorous Acid 0.02%

Safe to Use Everyday
