

Tenda® Original Performance Poultice

Tenda® Horse Products

- **100% All Natural Ingredients**
- **Superior Soothing & Cooling**
- **Does not contain banned, prohibited or controlled substances**
- **Easy rinse**

Superior High-Performance Poultice formulated for the Equine Athlete. Apply to the areas of soreness, stiffness and swelling in the lower limbs before and after exercise, training or competition. Can also be applied as a Hoof Packing.

All natural creamy smooth and soothing formula allows for daily application without irritation. Contains specifically blended all-natural mineral fortified kaolinitic clays for superior performance.

Directions:

- With a covering: thoroughly cleanse the affected area. Apply 1/8 to 1/4 inch thick. Cover with poultice paper or quilts then standing bandage. 12-24 hours later remove coverings and thoroughly wash the affected area with cold water. Repeat as necessary.
- Without a covering: thoroughly cleanse the affected area. Apply 1/8 to 1/4 inch thick. After desired period thoroughly wash the affected area with cold water. Repeat as necessary.
- For use as a hoof packing: Thoroughly clean the bottom of the hoof. Apply to the bottom of the hoof with kraft paper, a hoof wrap, or hoof boot. 24 hours later remove covering, thoroughly clean the affected area and reapply as necessary.

Ingredients:

100% all-natural ingredients including a proprietary blend of high performance, mineral fortified kaolinic clays, purified water, natural sodium borate as a preservative, and fragrance.
