

Healthy Stall

CareFree Enzymes®

Parasite, fly and odor control

All Natural

Stalls and barns are never parasite free, they are the homes to mites, lice, and fleas: these parasites live in the cracks, crevices, and bedding where they come out at night to feed on the horse. Flies and mosquitoes are a nuisance that carry deadly viruses that will affect the health of your horse. Ammonia NH₃ is extremely harmful to the respiratory systems of horses. Healthy Stall eliminates all of these problems in one simple product, providing you with a much happier and healthier horse.

Parasite Control Our blend of all natural enzymes attacks the parasite at all stages of life: egg, pupa, larvae, and the adult killing the entire life. Diatomaceous Earth (DE) will place a barrier in and around your stall protecting your horse from creeping insects for long periods of time. DE is made up of tiny silica shells that will slice the outer layer of the parasite causing dehydration.

Fly Barrier The mixture of Lemon Grass Oil and Geranium Oil are known repellent to flies, mosquitoes and other flying pests.

Odor—Ammonia Enzymes breaks the chain of NH₃ (ammonia) and NH₄ (ammonium acetate) to N (nitrogen). By breaking the carbon chain odor becomes neutralized.

DIRECTIONS: Shake well before use. Use every two (2) weeks. Attach bottle to garden hose. Turn knob to “ON” position. Spray (light mist) for 30 seconds over the entire contaminated area. DO NOT RINSE.

NOTE: Over-spraying will not cause harm to animals or the environment. No restrictions when used as directed. This is a non-hazardous product and requires no special handling.

IPS-CareFree Enzymes represent that this product qualifies for exemption from registration under the 25(b) FIFRA

Contents: Active Ingredients: Lemon Grass 1.5%, Geranium Oil 1.5% Potassium Sorbate .01% by weight. Inert Ingredients: Water, Yeast, Citric Acid, D.E. (Diatomaceous Earth) 96.9% total 100%

CAUTION: KEEP OUT OF REACH OF CHILDREN. Contents are highly concentrated. In case of skin or eye contact, rinse with water. Should any irritation occur, seek medical attention. Do not take internally. Follow the directions closely. Buyer assumes all responsibility when not used as directed.

Refill with 33.9 oz. Healthy Stall
