

Neem Oil

Equiderma

Ingredients:

Contains: 100% certified organic cold pressed unrefined neem oil (Azadirachta Indica)

Use:

As a medicinal & cosmetic solution for the barn, home, and garden. Neem has a cumulative effect when sprayed in the yard or on animals, effectiveness will increase exponentially with continued use.

Storage:

Store in a cool, dark place to maintain freshness and maximum efficacy, out of direct sunlight ; refrigeration is ideal. If refrigerated, bring to room temperature before using. Will solidify in cool temperatures, easily warm in your hands or hot water bath to liquify.

Proudly made in the U.S. A.

Equiderma organic cold pressed neem oil is NOP certified, cold pressed, unrefined and derived straight from the seeds of the revered Indian neem tree. Azadirachta Indica neem oil has been used as a panacea for centuries due to its ability to soothe and nourish even the most compromised and hair without stinging. With countless uses in your home, barn or farmstead. Neem oil can be used medicinally or added to cosmetic topicals. A cure all in the chicken coop, or craft your own organic gardening solutions. It's an ingredient so good we couldn't keep it all to ourselves.

Our mission is to create wholesome, natural products that are good for you, your animals and our planet.
