

Black Pearl

Sullivan Supply

Intensifying Black Polish

- All Natural Color Intensifying Liquid Black Polish
- For all black colored livestock
- Proprietary black resin blend infuses a brilliant black color tone to both the hair and skin
- Creates extra depth, dimension, shine, and a fresh healthy look
- Covers pale, gray, faded hair and skin, sunburns, stains and blemishes

Directions for Hogs

- Begin with a clean, dry animal.
- Shake well and apply evenly with a light misting spray.
- Brush-in to blend and smooth out as the product dries.
- Apply additional product as needed.
- Allow to dry for approx. 1 hour and rinse with water.
- Follow with a 2nd or 3rd application to achieve the desired color.
- Always apply light coats.
- Contains optical brighteners to provide a tremendous natural shine when dry.
- Applying oil may cause Black Pearl to rub off.

Directions for Cattle

- Useful for cattle hair between the time of hair dye applications.
- Shake well and apply a light misting spray over the entire body.
- Comb in with a Smart Comb to coat the entire length of the hair.
- Allow it to air dry for approximately 1 hour and then rinse with water.

Color enhancements may be prohibited at some shows, please check the rules. Not a permanent coloring, may rub off. Remove with shampoo.

Shake Well Store at room temperature.

Caution: Avoid spraying in eyes. May cause eye irritation, rinse with plenty of fresh water. For topical use only.

Keep Out of Reach of Children.
