

# Probiotic Detangler

## *Skout's Honor Pet Supply Co.*

An Environmentally & Socially Conscious Company

97% Natural with Live Topical Probiotics

**Skout's Paw Pledge:** Together we provide a day's worth of food to an animal in need, with every product sold.

A Natural Approach to a Healthy Skin & Coat When applied to the skin, probiotics support the good bacteria and prevent the bad bacteria from taking over. Good bacteria serve as a natural defense against the environmental damage and inflammation commonly associated with excessive shedding, itching, dryness, infection and odor.

**Skout's Honor Probiotic Detangler** Hydrates and softens fur for a more brushable, tangle free coat. It provides a premium grooming experience without disturbing the skins natural microbial community.

**Directions:** SHAKE WELL. Apply detangler evenly from the back of the ears to the tail, taking care to avoid the eyes. FOR MATTING: Saturate and let sit 2-3 minutes. Brush or comb out thoroughly. Repeat as necessary.

**For best results:** Use with Skout's Honor Probiotic Shampoo + Conditioner. Safe for pets 8 weeks of age or older.

**Caution:** For external use only. Do not use on open sores or wounds.

**Safe for use with topical flea & tick treatments.**

**Keep Out of Reach of Children or Pets.**
