

Probiotic Deodorizer

Skout's Honor® Pet Supply Co.

Daily-Use

Designed to support your pet's natural defenses against itching, dryness, irritation & odor.

97% Natural with Live Topical Probiotics

An Environmentally & Socially Conscious Company

Skout's Paw Pledge: Together we provide a day's worth of food to an animal in need, with every product sold.

A Natural Approach To A Healthy Skin & Coat

When applied to the skin, probiotics support the good bacteria and prevent the bad bacteria from taking over. Good bacteria serve as a natural defense against the environmental damage and inflammation commonly associated with excessive shedding, itching, dryness, infection and odor.

Hydrates and deodorizes the skin and coat for a fresher, better-smelling pet in between washes. It provides a premium grooming experience without disturbing the skin's natural microbial community.

Our Promise:

- x No Sulfates
- x No Parabens
- x No Triclosan
- x No Petrolatum
- x No Added Colors/Dyes
- x No DEA

Directions: Shake Well. Apply deodorizer from the back of the ears to the tail, taking care to avoid the eyes. Brush or massage through coat and onto skin.

For Best Results: Use with Skout's Honor Probiotic Shampoo+Conditioner. Safe for pets 8 weeks of age or older.

Caution: For external use only. Do not use on open sores or wounds.

Safe for use with topical flea and tick treatments.

Keep Out Of Reach Of Children Or Pets.
