

Probiotic Shampoo+Conditioner for Cats

Skout's Honor® Pet Supply Co.

Honeysuckle

Designed to support your cat's natural defenses against itching, dryness, irritation & odor.

97% Natural with Live Topical Probiotics

Skout's Paw Pledge: Together we provide a day's worth of food to an animal in need, with every product sold.

A Natural Approach to a Healthy Skin & Coat

When applied to the skin, probiotics support the good bacteria and prevent the bad bacteria from taking over. Good bacteria serve as a natural defense against the environmental damage and inflammation commonly associated with excessive shedding, itching, dryness, infection and odor.

Gently cleans and hydrates the skin and coat, leaving fur silky and smooth. It provides a premium grooming experience without disturbing the skin's natural microbial community.

Our Promise:
