With Biokore™ Technology

An Environmentally & Socially Conscious Company

Breaks down urine stains & eliminates odors at the molecular level.

Safe for pets, family & home. (When used as directed)

Permanently Removes Stains Destroys Odor Molecules

Warning May discolor or damage silk, leather, wool or natural wood surfaces.

Before Use: Test a small area for colorfastness. If color is removed from the test area, do not use product on that surface. Remove as much of the stain-causing material as soon as possible. Note: Uric acid damage to light colored carpets (redding) may not be visible until after the stain is removed.

Directions for use:

Step 1. Vacuum area to be cleaned.

Step 2. Fill tank according to specific machine's user guide.

Can also be used for spot treatments at full strength if needed.

Caution: Keep out of reach of children & pets. Professional strength: May cause skin or eye irritation; harmful if inhaled; and not for topical use. In case of eye contact, flush with water. Use in well-ventilated areas.

Product is made using natural ingredients and can vary in color, texture and scent
