Breaks Down Urine Stains & Eliminates Odors At The Molecular Level.

Safe For Pets, Family & Home. (When used as directed)

Permanently Removes Stains Destroys Odor Molecules

Safe for use on rugs, carpets upholstery, clothing and other porous & water-safe surfaces.

Warning: May discolor or damage silk, leather, wool or other natural wood surfaces.

Before Use: Test a small, inconspicuous area for colorfastness. If color is removed from the test area, do not use product on that surface. Remove as much of the stain-causing material as possible. Note: Uric acid damage to light colored carpets (redding) may not be visible until after the stain is removed.

Directions for Use:

- Step 1. Saturate soiled area and 1-2" perimeter with product. For carpets and upholstery, make sure to saturate backing & padding.
- Step 2. Wait 5 minutes, then remove excess moisture with a colorfast cloth or paper towel. For textiles, blot or vacuum with wet-vac for best results.
- Step 3. Allow area to dry naturally & completely before children or pets re-enter the area. A second application may be necessary for dried or stubborn stain.

Caution: Keep out of reach of children & pets. Professional strength: May cause skin or eye irritation; Harmful if inhaled; and not for topical use. In case of eye contact, flush with water. Use in well-ventilated areas.
