

Probiotic Hot Spot Hydrogel

Skout's Honor® Pet Supply Co.

with aloe & algin

For hot spots, cuts & abrasions.

99% Natural
Non-Medicated
Promotes Healing

An Environmentally & Socially Conscious Company

Skout's Paw Pledge: Together we provide a day's worth of food to an animal in need, with every product sold.

Soothe, heal and protect wounds, including hot spots, abrasions, lacerations, burns and irritated skin. Skout's Honor Probiotic Hot Spot Hydrogel adheres to the affected area to moisturize, prevent potential infection and promote optimal healing conditions with the natural benefits of aloe vera, hickory bark extract, alginate and topical probiotics.

Why Probiotics?

This bottle contains a live, colony-forming probiotic kefir culture that supports a protective layer of beneficial bacteria to help naturally soothe irritated skin.

Directions: Clean debris and remove excess hair from hot spot area. Saturate area with gel 3-4 times per day, or as needed. Faster healing is achieved when wounds are clean and kept moist. No rinsing necessary.

Safe for use around mouth, nose, ears & eyes.

CAUTION: For external use only. Discontinue use if irritation develops and always consult your veterinarian.

Keep Out Of Reach Of Children & Pets.

Storage: Store at room temperature, away from direct sunlight and heat. Do not use after expiration date (12 months after opening).

Ingredients: Water (Aqua), Natural Hickory Bark Extract, Probiotic Blend: (Isoeicosane, Hansenula, Kloeckera, Lactobacillus, Lactococcus, Leuconostoc, Pediococcus, Saccharomyces, Fig/Lemon Ferment, Sorbitan Oleate, Cellulose Gum and Chitosan), Aloe Barbadensis Leaf Juice, Algin, Citric Acid.

Product is made using natural ingredients and can vary in color, texture & scent.

Cruelty free and vegan
