Freshen breath fast. Fight Plaque and tartar. Live your best life together.

Let's get real, who actually brushes their pets' teeth?

Your pets' daily hygiene is a critical factor when it comes to their overall health. Live your best life together with more kisses & cuddles, from a happier healthier pet.

Skout's Honor Dental Wipes are proven to freshen breath fast, while helping to reduce plaque and tartar at the source. This pet-safe solution makes it easy to create a better oral care routine for your pet-no brushing required!

Dental Wipes provide the mechanical action to clean teeth, without the frustration of using a toothbrush. Odorless and flavorless, designed for both dogs and cats.
