Probiotic ear cleaner with Aloe Vera gently cleans, soothes and protects dirty, itchy & irritated ears.

Directions: SHAKE WELL. Liberally flush ear canal with product. Gently massage into ears from base to tips. A doggie shake is great! Wipe excess with a clean cotton ball or moist towelette. For maintenance use weekly.

Safe for dogs & cats.

Caution: For external use only. Do not use on perforated or ruptured ear drums. If irritation occurs, discontinue use and consult a veterinarian.

Keep Out of Reach of Children or Pets.

Skout's Paw Pledge: Together we provide a day's worth of food to an animal in need, with every product sold.

Good bacteria serve as a natural defense against the environmental damage and inflammation commonly associated with excessive shedding, itching, dryness, infection and odor. When applied to the ear, probiotics support the good bacteria that naturally calm inflammation and prevent bad bacteria from taking over.

Skout's Honor probiotic ear cleaner restores harmony and helps stabilize the ear's natural micro biome for a happier, healthier looking pet.
