Directions: Shake Well. Wet coat thoroughly with warm water. Apply shampoo from the back of the ears to the tail. Lather and gently massage into the coat and skin, being careful to avoid the eyes. Allow lather to sit for 5-7 minutes, then rinse well and towel dry. Repeat every two weeks for best results and prevention.

Precautionary Statements: May cause moderate eye irritation. For external use only. Consult a veterinarian before using this product on debilitated, medicated, pregnant or nursing animals. Not recommended for puppies younger than 12 weeks.

First Aid:

IF IN EYES: Hold eye open and gently wash with water for 15-20 minutes. If irritation persists, contact a physician.

IF SWALLOWED: Immediately drink plenty of water. Do not induce vomiting. Contact a physician.

Storage Disposal: Store in a cool, dry area. Offer empty container for recycling, if available.
