

# EquiTum Equine Oral Gel

**AniMed®**

**Promotes Normal Proper Gut pH and Well Being  
Easy to Use**

Supports proper gut pH.

Contains Omega-3 Fatty Acids and Live Viable Probiotics

Contains two natural antacids.

**Up to 6 Feedings Per Tube**

## **Product Facts:**

EquiTum is designed to help keep your horse in peak condition, especially after occasional digestive distress. Our proprietary nutritional blend supports a health gut and normal stomach pH by supplying two natural antacids, supplemental calcium and magnesium. EquiTum Gel contains a source of guaranteed live (viable) naturally occurring micro-encapsulated probiotic microorganisms and yeast cultures.

**Feeding Directions:** Feed 10 mL two times per day.
