

# **Ulc-R-Aid Equine Oral Gel**

**AniMed®**

**with Colostrashield**

**Helps Support the Protractive Layers of the Gut  
Easy to Use**

Helps support the guts protective layers.  
Provides beneficial natural colostrum.

**Up to 6 Feedings Per Tube**

## **Product Facts:**

Ulc-R-Aid nutritionally helps support proper digestion and bowel health, especially after occasional digestive distress. Our unique formula combines natural antacids, supplemental calcium and magnesium, which helps maintain proper gut pH. Ulc-R-Aid is fortified with colostrum. Nutrients derived from colostrum have been shown to help support the growth of muscle, skin, collagen, bone, cartilage, and nerve tissue.

**Directions for Use:** Horses of all classes and ages: Feed 10 to 20 mL per 1000 lbs body weight daily. Or, 20 to 40 mL ½ to 1 hour prior to an event which may create stress or excitement.

## **Guaranteed Analysis (per 10 mL):**

L-tryptophan 500 mg, Thiamine 500 mg, Calcium 20 mg, Magnesium 2.5 mg
