OPTIMAL NUTRITION
23% Protein & 21% Fat for the Nutrition Young Animals Need to Thrive

LIFELINE All Species 23:21 Milk Replacer
Premium milk replacer with LifePulse™ for comprehensive health, immunity, and growth support in young animals.

LIFELINE All Species 23:21 Milk Replacer is specially formulated to support young animals from day 2 to weaning. Enhanced with **LifePulse™**, a unique blend of **oregano, plasma**, and **PHYTOsolvan®**, it promotes internal health with benefits like natural antimicrobial action, enhanced immunity, and respiratory support. With **23% protein** and **21% fat**, this formula ensures steady, robust growth, giving young animals a healthy start.

Key Features:

LifePulse™ Blend – Including:

- **Oregano** – Natural antimicrobial to aid growth and digestion.
- **Plasma** – Supports immune function and gut health.
- **PHYTOsolvan®** – Helps prevent respiratory issues.
- **Balanced Nutrition** – 23% protein and 21% fat content for steady growth.

Why Choose LIFELINE All Species?

Designed for multifaceted support, this milk replacer strengthens immunity, digestion, and respiratory health, promoting well-rounded growth and vitality from the very first feeding.

Measurable Value

LIFELINE All Species Milk Replacer provides essential nutrients, helping animals thrive even in challenging conditions. LifePulse™ technology adds value to each feeding, supporting healthier, happier animals.

Choose LIFELINE All Species Milk Replacer — for robust growth and health in every young animal.
