# Lifeline All Species Milk Replacer Lifeline Annuso

## **Essential for Nutritional Support**

Milk Formula with LifePulse™

Day 2—Weaning

23% Protein 21% Fat

Nutrition for Calves, Goat Kids, Lambs, & Piglets

Plasma helps aid immune response & intestinal health

Essential Oils for digestion, growth, & respiratory support

LifePulse™

Smooth, easy mixing with warm water

LIFELINE All Species Milk Replacer offers essential nutritional support for piglets, goat kids, lambs and calves from day 2 through weaning. Enhanced with the LifePulse™ mix of plasma and essential oils (oregano & PHYTOsolvan®), this formula is made to support young animals health and development from within. *Oregano* supports growth, digestion and acts as a natural antimicrobial, *Plasma* aids the immune system and overall gut health, and *PHYTOsolvan*® helps prevent respiratory issues during vulnerable stages of life. With a balanced combination of 23% protein and 21% fat, this high-level milk replacer is to give your young animals the nutrition they need to *thrive*. Make sure your animals are getting the best start possible with LIFELINE All Species Milk Replacer.

## **Feeding Guidelines:**

Species	Age	Milk Replacer Powder Per Feeding	Warm Water Per Feeding	Feedings Per Day
Day 1 Colostrum Replacer				
Piglet	Day 2-Week 1	½ − 1 oz	1/₄ − 1/₂ pint	4
	Week 2-Weaning	1 – 1 ½ oz	½ − ¾ pint	3
	Week 3-Weaning	$1\frac{1}{2} - 2$ oz	$\frac{1}{2} - \frac{2}{3}$ pint	3
	Day 1 Colostrum Replacer			
Goat Kid	Day 2-10	1 – 1 <sup>1</sup> / <sub>3</sub> oz	6 – 8 fl oz	3
	Day 11–Weaning	$1^{1}/_{3}$ – $1^{2}/_{3}$ oz	8 – 10 fl oz	3
	Day 1 Colostrum Replacer			
Lamb	Day 2-10	$1 - 1^{1/3}$ oz	6 – 8 fl oz	3
	Day 11–Weaning	$1^{1}/_{3}$ – $1^{2}/_{3}$ oz	8 – 10 fl oz	3
	Day 1	Colostrum Replacer		
Calf	Day 2-10	10 oz	2 quart	3

For example, an average 2 day old lamb would receive:

1 oz powder – 6 oz water – Fed 3 times per day

Mix LIFELINE All Species Milk Replacer into warm (105°F) water. Stir until powder is completely dissolved. Only mix enough powder for one feeding at a time.

- Milk replacer powder that is measured in ounces is measured by weight. Warm water is measured by fluid ounces (volume).
- All Species Milk Replacer is meant as a supplementary feeding.
- Do not exceed feeding recommendations.
- Contact your veterinarian for nutritional requirements.

### Storage

- Store in a cool, dry place away from insects, rodents and other pests.
- Use mixed product immediately—do not store.

#### Warning

- If product is moldy, infested (insects, rodents or other pest) or appears abnormal in color or smell, DO NOT FEED.
- Not for human consumption.
