

Hip & Joint Biscuits for Dogs

Nutri-Vet®

Supports Healthy Hips & Joints

Made By Vets. Craved By Pets.™

Amounts That Count™

300 mg Glucosamine per biscuit

Delicious Peanut Butter Flavor

Live Your Best Lives Together

For over 20 years we've been working with veterinarians to help formulate Nutri-Vet products to ensure your pet is getting the right amount of the right ingredients. We call it **Amounts that Count™** and it's how we empower you to make better choices for your pet so you can live your best lives together.

Nutri-Vet Hip & Joint biscuits provide 300 mg of glucosamine in a peanut butter flavor your pet will love to help maintain normal healthy cartilage and joint function. With healthy hips and joints, your pet's best day may never end.
