

DEFEND™ LAMB & KID COLOSTRUM SUPPLEMENT

SPECIALLY FORMULATED

Formulated Specifically for the Sensitive Stomachs of Young Lambs & Goat Kids

40 g GLOBULIN PROTEIN

40 g Globulin Protein to Help Build & Support the Immune System

SERUM-BASED FORMULA

Research-Backed, Serum-Based Formula for Better Absorption

LIFELINE Defend Lamb & Kid Colostrum Supplement – expertly formulated to meet the unique needs of lambs and goat kids, especially for their small, sensitive stomachs. Defend Lamb & Kid provides 40 g of globulin protein to strengthen the immune system and protect against environmental challenges. This serum-based formula ensures optimal absorption of functional proteins, offering essential support during critical growth stages.

Defend can be fed alongside maternal colostrum to supplement lambs and kids that didn't receive enough or in cases where the colostrum quality is poor or unknown. With research-backed formulation, it delivers targeted nutrition when young animals need it most.

Key Features:

- **Formulated for Sensitive Stomachs** – Designed specifically for the delicate digestive systems of lambs and goat kids.
- **40 g Globulin Protein** – Provides robust immune support to help young animals thrive in challenging environments.
- **Serum-Based Formula** – Ensures better absorption of functional proteins, maximizing nutritional benefits.

Why Choose Defend Lamb & Kid?

- **Enhanced Immune Support** – High levels of globulin proteins support immunity, helping lambs and kids respond to environmental challenges.
- **Gentle Digestion** – Formulated specifically for sensitive young stomachs, promoting better absorption and comfort.
- **Optimized Nutrition** – A serum-based formula delivers critical functional proteins for optimal health.
- **Versatile Supplementation** – Feed alongside or after maternal colostrum for flexible and effective nutritional support.

Give your lambs and goat kids the head start they deserve with LIFELINE Defend Lamb & Kid — advanced nutrition for a healthy, thriving beginning.

FEEDS & SUPPORTS
UP TO **8** LAMBS & KIDS
BASED ON
BODY WEIGHT

AVAILABLE SIZES

1 lb Pouch | MPN – 49802

40 g GLOBULIN PROTEIN

DEFEND™ LAMB & KID COLOSTRUM SUPPLEMENT

FEEDING GUIDELINES

MIXING GUIDELINES	BODYWEIGHT (POUNDS)	POWDER (CUPS)	WARM WATER (OUNCES)	NUMBER OF FEEDINGS
1/4 CUP (25 g) POWDER + 4 OZ OF WARM WATER <i>Ratio Per 4 lb of Body Weight</i>	4	1/4	4	2
	8	1/2	8	2
	10	3/4	12	2
	12	1	16	2 - 3
Refer to the chart above for the total mixture amount per animal. Divide the mixture evenly across the recommended feedings, ideally within the first 8 hours of life, every 3–4 hours.			Example: 10 lb Lamb/Goat Kid: 3/4 cup powder + 12 oz water Split into 2 feedings	

Feed as soon as possible after birth for long term benefits. Mix Defend Lamb & Kid with warm (105°F/40°C) water. Stir until completely dissolved. Only mix enough powder for one feeding at a time.

AFTER DAY ONE - ADVANCED BENEFITS OF COLOSTRUM

- Continue feeding Defend Lamb & Kid after the first day to ensure continued protection and optimal nutritional benefits.
