### **Inactive Ingredients:**

Alfalfa Meal, Flaxseed Oil, Lignin Sulfonate, Maltodextrins, Stabilized Flaxseed Meal, Stabilized Rice Bran, Vegetable Oil.

### **Cautions:**

Safe use in pregnant animals or animals intended for breeding has not been proven. If lameness worsens, discontinue use and contact your veterinarian. Administer during or after the animal has eaten to reduce the risk of gastrointestinal upset.

Federal law prohibits the off-label use of this product in ruminants.

Absorption of drugs taken simultaneously may be delayed.

An examination from a veterinarian is recommended prior to using this product.

For use in horses only.

**Directions for Use:**

Administer 100 g daily, 1 scoop = 50 g (2 scoops daily)

**Warnings:**

- For animal use only.
- Keep out of the reach of children and animals. In case of accidental overdose, contact a health professional immediately.
- This product should not be given to animals intended for human consumption.
