

Lifeline® Defend™ All Species Colostrum Supplement

Lifeline Annuso

Essential Nutrition & Immune Support
Powered by Functional Proteins & Prebiotics

Prebiotic Gut Support

Prebiotics to feed the good bacteria in the gut for better digestion & immunity

30g Globulin Protein

30g Globulin Protein to help build & support the immune system

Supports Allergy Relief

Serum-Based formulation helps support seasonal allergy relief

60 Seconds or Less Smooth Easy Mixing

LIFELINE Defend All Species is the only colostrum supplement with 20% added fat for a burst of energy, prebiotics for supporting the healthy bacteria in the gut, and the functional proteins for aiding the immune system, including support against allergens. Defend can be fed in addition to maternal colostrum to animals that may not have nursed, or after colostrum to animals that didn't receive enough maternal colostrum. The serum-based formulation also delivers concentrated globulin proteins to help nutritionally support animals facing environmental challenges.

Feeding Guidelines

Species	Colostrum Powder Defend All Species	Warm Water (105°F/ 40°C)	Number of Feedings 1 Tsp per ¼ lb of body weight
PUPPY/ KITTEN	2 Tbsp or 1 oz by weight	½ Cup	8 x 1 Tsp per ¼ lb of body weight
PIGLET	2 Tbsp or 1 oz by weight	½ Cup	6 x 1 fl oz
LAMB/ GOAT KID	4 Tbsp or 2 oz by weight	1 Cup	4 x 2-4 fl oz
ALPACA CRIA	4 Tbsp or 2 oz by weight	1 Cup	6 x 3-4 fl oz
LLAMA CRIA	4 Tbsp or 2 oz by weight	1 Cup	6 x 4-6 fl oz

CALF

Feed: LIFELINE Protect colostrum Supplement for Calves

Feed as soon as possible after birth for long term benefits. Mix Defend All Species with Warm (105°F/ 40°C) water. Stir until completely dissolved. Only mix enough powder for one feeding at a time.

- Animal body weight varies.
- The mixing chart above is a guideline.
- For small breed goat kids, feed only half the mixed colostrum solution recommended above.
- For powder measurements, utilize ounce by weight measurements for most accurate results.
- Feeding should be evenly spaced throughout the 24-hour period.
- Contact your veterinarian for nutritional requirements.

After Day One

- Continue feeding Defend All Species after the first day to ensure continued protection and optimal nutrition benefits.

Storage

- Store at room temperature in a dry place.

Warning

- If product is moldy, infested (insects, rodents, or other pest) or appears abnormal in color or smell, DO NOT FEED.
- Not for human consumption.
- Do not exceed feeding recommendations.
- Contact your veterinarian for nutritional requirements.
