

Hoof Strength Powder for Horses

Summit™ Animal Health

Strong, Durable Hooves

Minimize cracks, splits & brittleness

Fast Healthy Growth

Biotin & Methionine stimulates hoof growth & health

Essential daily support for hoof strength, growth and durability.

Improves:

- Splits, wall & Quarter Cracks
- Brittle, Slow Growth
- Soft Soles, Frog Bruising & Lameness
- Skin, Coat, Mane & Tail Quality

Directions:

Mix one level scoop (8.6 g) with feed, once daily. For the average 1,000 lbs horse. For best results, use consistently over time.

Active Ingredients per 8.6g scoop:

Methionine	5,000 mg
MSM (Methylsulfonylmethane)	2,000 mg
Calcium	1,200 mg
Zinc	300 mg
Biotin	100 mg
Vascorix (proprietary vasodilator)	20 mg

Other Ingredients:

Natural Flavor (Monk Fruit Extract).

Cautions:

For animal use only. Formulated specifically for horses. Consult your veterinarian before use if your animal is pregnant, nursing, or has a history of heart conditions. Keep out of reach of children; if swallowed, contact Poison Control Center.

Storage & Stability:

Store in a cool, dry place and tightly sealed when not in use. Excessive heat may affect the consistency and potency of the ingredients. Use within 24 months of opening.
