Ingredients

Active Ingredients: Sodium Bicarbonate (81%), Neem Leaf (.22%), Chamomile (1%), Pine Bark (.02%)

Inert Ingredients: Corn Starch, Arrowroot Powder, Bentonite Clay, Witch Hazel Power, Lavadin Grosso, Silk Peptide Powder, Cherry Bark

Directions

Apply dry shampoo directly to your animal's coat or brush. When dealing with a skin problem, allow to remain on coat. When using to freshen or fight odor, allow to remain on coat for several minutes, then brush to remove dirt and dander. Sprinkle directly onto bedding, blankets, furniture, carpet and in the coop. Works great in shoes and socks too!

Because the majority of our ingredients come from natural and organic sources, you may see variations in color over time and with each batch that we hand-craft. The quality and efficacy of the product is in no way affected by these natural cosmetic differences.

Livestock love to Show Off!

All natural herbal powder

It's honestly herbal, with all the wonderful healing ingredients of our wet **Show Off Shampoo**, in a powder form. Use in lieu of a wet bath, when you're short on time or the weather conditions are too cold. It's the perfect way to freshen up at shows and soak up unwanted moisture. Our soothing anti-inflammatory and antioxidant herbal formula relieves irritation and prevents bacteria and fungus from taking hold in moist areas. Prevent rain scald and fungal and bacterial infections with regular use. Use to freshen

bedding, coops, blankets, furniture and carpets too. You will love the way your animals will look, feel and smell after using this dry shampoo. Great for animals with sensitive skin.

Take a holistic approach to grooming, for their health and yours.

Great for effortless, everyday grooming.

Aids in the treatment and prevention of bacterial and fungal infections and reoccurring skin issues.

Our mission is to create wholesome, natural products that are good for you, your animals and our planet.
