### Ingredients

Active Ingredients: Chlorhexidine Gluconate 0.5%, N-Trichloromethylthio-4 Cylohexene-1, Dicarboximide .006%

Inert Ingredients: Polysorbate 20-0.685% Lavender Oil 0.0025% Mineral Oil 76.2%

### Directions

Shake well. For best results wash the area thoroughly with **Show Off Shampoo**, rinse and dry. Apply liberally to the affected area every day, leave on. Continue use until the condition has completely cleared. Observe skin often and reapply as needed. If **Show Off Microbial Farm Lotion** is rinsed off by rain, hosing etc. reapply as needed.

Because the majority of our ingredients come from natural and organic sources, you may see variations in color over time and with each batch that we hand-craft. The quality and efficacy of the product is in no way affected by these natural cosmetic differences.
