

# Over Drive™

## *Sullivan's Supply*

### Hair Growth Booster for Show Pigs

Shift your hair into OVER DRIVE

- Daily hair growth stimulating sheen for show pigs to take your hair to the next level.
- Dense, healthy hair on your show pig can be the difference between standing 1<sup>st</sup> or 2<sup>nd</sup> place.
- Over-Drive is infused with a proprietary blend of natural extracts and vitamins formulated specifically for swine hair.
- Invigorates the hide to open pores and activates the hair shaft, boosting hair growth and reaching maximum potential.
- Water-based, won't clog pores.

#### **Directions:**

SHAKE WELL

- Use as part of your daily skin and hair routine.
- Apply to a clean, dry animal.
- Great to use immediately after washing or rinsing after the skin has dried.
- Spray a generous misting of OVER DRIVE on the entire animal twice daily, every day, more as needed.
- Lightly brush in with a soft horsehair bristle brush.
- Don't overbrush, causing the product to be brushed off the skin. Do not blow dry. Allow OVER DRIVE to sit on the skin and air dry.
- Requires no washing out.

Store at room temperature.

**Caution:** Keep away from eyes. May cause eye irritation, rinse with plenty of cold fresh water. If irritation persists, contact a physician. For external use only. Do not drink. Use only as directed.

KEEP OUT OF REACH OF CHILDREN.
