

Blizzard Heavy Powder'ful Sullivan's

Hair Building Powder- White

Not just a flurry...Get ready for Blizzard conditions!

Blizzard delivers mind-blowing, industry best coverage with a high concentration powder that dries fast. It combines thick coverage to add depth, dimension and texture in a smooth, natural finish without weighing hair down. Helps adhesives dry creating an easy- to-clip texture. The white color provides a great visual clipping aid. Ideal for legs, bellies, flanks, top-lines, and tail heads on all livestock.

Directions:

SHAKE WELL before each use. Groom hair with adhesive, then apply BLIZZARD and clip. Alternate coats of Tail Adhesive and Blizzard to build thickness. Once dry, apply touch-up color to match your animal. Note: Some shows may prohibit color enhancements and hair building products. Check rules. Remove with Sullivan's Release and Break Away Shampoo.
