

Hill's Prescription Diet y/d Thyroid Care Chicken Flavor Dry Cat Food

Hill's Prescription Diets

How it helps:

- Nutrition shown to decrease thyroid hormone (T4) production in 3 weeks
- Supports kidney, heart & urinary health
- Helps maintain lean muscle mass
- Visible improvement in skin & coat
- **S+OXSHIELD:** Formulated to promote a urinary environment that reduces the risk of developing struvite & calcium oxalate crystals

How it works:

- Limited iodine
- Controlled phosphorus and reduced sodium with omega-3 fatty acids from fish oil
- High levels of L-carnitine to support a healthy body condition
- Omega-6 fatty acids to promote a healthy skin & coat

Ingredients: Corn Gluten Meal, Whole Grain Corn, Chicken Fat, Powdered Cellulose, Egg Product, Chicken Liver Flavor, L-Lysine, Potassium Citrate, Dicalcium Phosphate, Lactic Acid, Fish Oil, Calcium Sulfate, Choline Chloride, Calcium Carbonate, DL-Methionine, Taurine, L-Tryptophan, Brewers Dried Yeast, vitamins (Vitamin E Supplement, L-Ascorbyl-2-Polyphosphate (source of Vitamin C), Niacin Supplement, Thiamine Mononitrate, Calcium Pantothenate, Vitamin A Supplement, Riboflavin Supplement, Vitamin B12 Supplement, Pyridoxine Hydrochloride, Folic Acid, Biotin, Vitamin D3 Supplement), L-Arginine, minerals (Ferrous Sulfate, Zinc Oxide, Copper Sulfate, Manganese Sulfate), L-Carnitine, Mixed Tocopherols for freshness, Natural Flavors, Beta-Carotene.

Feeding Guide

IMPORTANT: Because iodine intake from other food sources -- treats, another pet's food, flavored medicines, etc. -- can compromise the effectiveness of low-iodine nutrition, it is critical that you follow your veterinarian's feeding instructions carefully and feed only Prescription Diet y/d.

Ask your veterinarian for specific feeding instructions for your pet. Daily Feeding Recommendations are only a guide and a place to start. Grams are the most accurate form of measurement; cups are estimated from grams.

For best results:

- Gradually transition to this new food for 7 days or more
- Exclusively feed the recommended Prescription Diet dry and wet foods
- Keep fresh water available at all times
- Have your veterinarian monitor your pet's condition
- To prevent suffocation, keep the packaging out of the reach of pets & children

Adult Maintenance

Weight of Cat - lbs (kgs)	Amount per Day - cups (grams)
6 (2.7)	3/8 (45)
8 (3.6)	1/2 (65)
10 (4.5)	1/2 (65)
12 (5.4)	5/8 (80)
14 (6.4)	2/3 (85)
16 (7.3)	3/4 (95)
18 (8.2)	3/4 (95)

Animal feeding tests using AAFCO procedures substantiate that Hill's Prescription Diet y/d Chicken Flavor Cat Food provides complete and balanced nutrition for maintenance of adult cats.
